Specification Summary

Brand	Squire
Product type	SQUIRE Stronghold Steel Padlock Range
Keyway	Squire Stronghold Padlocks

Product Description

The Squire SS65CS Stronghold Steel Closed Shackle Padlock is a heavy-duty security solution designed to protect your most valuable assets in maximum-risk environments. Tested to the highest CEN Grade 6 standard, this padlock is built to withstand the harshest physical attacks and extreme weather conditions.

At its core is a solid hardened 65mm steel body, paired with a 12.7mm hardened boron alloy steel closed shackle. The shrouded shackle design provides exceptional resistance against cropping, sawing, and drilling. For superior weather protection, the padlock features an electrophoretic finish that has been salt spray tested for over 200 hours,

ensuring reliable performance in harsh outdoor environments.

Security is further enhanced by a 6-pin cylinder mechanism offering over 250,000 key differs, and a key-retaining design that ensures the key can only be withdrawn when the padlock is securely locked.

This padlock is available in multiple configurations. Depending on your security and operational needs, you can choose between Keyed Alike or Keyed To Differ options, as well as different packaging types (Boxed or Visi), weights ranging from 1.06kg to 1.09kg, and manufacturer references (SS65CS or SS65CS BOXED) with corresponding barcodes. Please select your preferred options from the choices below.

Technical Specifications

- **Body Width:** 65mm
- **Body Thickness:** 31.8mm
- **Shackle Diameter:** 12.7mm
- **Vertical Clearance:** 19mm
- **Horizontal Clearance:** 19mm
- **Mechanism:** 6-pin cylinder
- **Key Differs:** 250,000
- **Standards:** CEN Grade 6
- **Keys Supplied:** 2
- **Weight:** 1.06kg to 1.09kg (please choose from the options below)
- **Keying:** Keyed Alike or Keyed To Differ (please choose from the options below)
- **Packaging:** Boxed or Visi (please choose from the options below)
- **Manufacturer Reference:** SS65CS or SS65CS BOXED (please choose from the options below)
- **Barcode:** Multiple options available (please choose from the options below)

Key Features

- **CEN Grade 6 Accredited:** Tested to the highest security rating for maximum risk environments.
- **Solid Hardened Steel Body:** 65mm solid steel construction provides formidable resistance against physical attack.
- **Hardened Boron Alloy Steel Shackle:** Shrouded closed shackle design protects against cropping, sawing, and drilling.
- **Corrosion Resistant Finish:** Electrophoretic black finish salt spray tested for over 200 hours to withstand harsh weather.
- **Key Retaining Design:** Key can only be withdrawn when the padlock is fully locked, ensuring it is never left open.
- **High Security Cylinder:** 6-pin tumbler mechanism offers excellent resistance to picking and bumping.

Brand Profile

Squire

Squire (formally **Henry Squire & Sons Ltd**) is one of the UK's oldest lockmakers — a heritage brand best known for **serious padlocks and chain security**, especially in the motorcycle, commercial, and site-security world. Squire's own history traces the business back to **1780**, when **William Squire** began making locks in **Willenhall** (the Black Country's lockmaking capital). They even supplied locks to the **British Army during the Napoleonic Wars**, which is a wildly specific flex that basically translates to: "we've been thinking about forced entry since muskets were a performance upgrade."

Operationally, the trading entity behind the brand is **Henry Squire & Sons Limited.**

What Squire is known for

Squire's modern identity is anchored in **high-security padlocks** and matching **hardened chains / accessories**, with the flagship line being **Stronghold®**. Their own "About" page calls out products like the **Stronghold SS100cs** as an ultra-high-security production padlock (Squire describe it as the world's strongest production padlock — not subtle, but neither is a 1kg lump of hardened steel).

A good example of how the brand positions itself in real-world standards:

- The **Squire SS65CS Stronghold** is independently listed by **Sold Secure** with **CEN Grade 6** and a **Powered Cycle Gold** rating, alongside features like hardened components and weather resistance.
