Brand	Tricircle
Product type	Open Shackle

Product Description

The Tricircle 26 Series Brass Open Shackle Padlocks offer a reliable and classic security solution for a wide variety of everyday locking requirements. Constructed with a solid brass body and a hardened steel shackle, these padlocks provide dependable protection for securing lockers, toolboxes, gates, and cabinets.

Each padlock in this range is keyed to differ, ensuring individual security, and comes supplied with keys as standard. The open shackle design allows for quick and easy fitting onto various hasps, staples, and chains.

This versatile series is available in a range of sizes to suit your specific security needs. Body widths span from 20mm up to 63mm, with corresponding shackle diameters ranging from 3.2mm to 12mm, and weights from 30g to 570g. Please choose your preferred body width, shackle diameter, and manufacturer reference (ranging from TC261 to TC266) from the options below.
