Product Description

The TrioVing 5382/8 Lock Set with Long Plate is a premium, heavy-duty lockset designed specifically for sliding doors, patio doors, and marine applications. This comprehensive kit provides a complete locking solution, combining robust security with smooth, reliable operation.

At the heart of the set is the heavy-duty TrioVing 5382 lock case, which features a secure double hook bolt mechanism designed specifically for sliding doors. The lock case is fully reversible, allowing it to be easily handed on-site to suit both left and right-handed configurations.

The complete kit includes the lock case, a pair of stylish 7363 satin steel lever handles, a 5520 external cylinder supplied with three keys, a 5541 internal thumbturn for convenient locking from the inside, and 8660 long plate escutcheons. An optional 5935 strike plate is also available to purchase separately if required for your installation.

Technical Specifications

- **Lock Case:** TrioVing 5382 (reversible for left or right-hand doors)
- **Handles:** TrioVing 7363 satin steel lever handles
- **External Cylinder:** TrioVing 5520 (supplied with 3 keys)
- **Internal Thumbturn:** TrioVing 5541
- **Escutcheons:** TrioVing 8660 long plate escutcheons
- **Bolt Type:** Double hook bolt
- **Spindle Size:** 8mm
- **Optional Extras:** TrioVing 5935 strike plate (available separately)

Key Features

- **All-in-One Kit:** A complete lockset package including the lock case, handles, cylinder, thumbturn, and long plate escutcheons.
- **On-Site Reversible Handing:** The lock case can be easily swapped on-site to suit either left or right-handed door configurations.
- **Robust Double Hook Bolt:** Specifically engineered to provide secure locking for sliding and patio doors.
- **Marine & Patio Suitable:** Heavy-duty construction makes it highly suitable for demanding environments, including marine sliding doors.
- **Convenient Inside Operation:** Features an internal thumbturn for quick, keyless locking and unlocking from the inside.
- **Durable Satin Steel Finish:** High-quality finish offers excellent durability and a clean, modern aesthetic.

Brand Profile

TrioVing

TrioVing is a Norwegian lock and door-hardware brand with deep roots in Scandinavia's "make it survive winter and humans" engineering tradition. The modern TrioVing name comes from a series of mergers in Norway's lock industry: **TRIO** was formed in **1904** by the merger of three lock/fittings companies, **VING** formed in **1950**, and the two combined in **1971** to create **TrioVing A/S**, which became Norway's leading lock company.

In **1983**, Finland's **Abloy** entered the Norwegian market by acquiring **TrioVing's Locks and Security** (along with VingCard's hotel security business), pulling TrioVing into the broader Nordic consolidation story that eventually became ASSA ABLOY.

What TrioVing is especially known for today is robust, **Scandinavian-style lockcases and hardware**—including **stainless steel mortice lockcases** that show up in **high-end Scandinavian doors** and **marine applications**, where corrosion resistance isn't a "nice to have," it's the entire point.
