Specification Summary

Brand	TrioVing
Product type	TrioVing Shop

Product Description

The TrioVing 5542 is a 32mm oval thumb turn cylinder designed specifically to suit TrioVing lock cases, which are commonly found in Swedish-manufactured domestic doors. This high-quality internal thumb turn cylinder provides smooth, keyless locking and unlocking from the inside of your property.

Before purchasing, please verify that your existing internal cylinder has a flush finish on the back. Some alternative internal cylinders feature a 'scalloped' back with recessed fixing holes, which may not be compatible.

This thumb turn cylinder is available in three attractive finishes to match your door hardware: Satin Chrome, Polished Chrome, and Brass. Please select your preferred finish from the options below. If you require a matching external cylinder, the compatible external model is available separately under part number 5537.

Technical Specifications

- **Manufacturer:** TrioVing
- **Model:** 5542
- **Cylinder Type:** Oval thumb turn (internal)
- **Length:** 32mm
- **Height:** 35mm

- **Width:** 20mm
- **Finishes Available:** Satin Chrome, Polished Chrome, Brass (please select below)
- **Compatibility:** Designed for TrioVing lock cases (commonly found on Swedish domestic doors)

Key Features

- **Keyless Convenience:** Allows quick and easy locking and unlocking from the inside without a key.
- **Flush Back Design:** Features a flat, flush finish on the rear of the cylinder for specific lock case compatibility.
- **Multiple Finishes:** Available in Satin Chrome, Polished Chrome, or Brass to seamlessly match your existing door furniture.
- **External Companion Available:** Pairs perfectly with the TrioVing 5537 external cylinder (sold separately).

Brand Profile

TrioVing

TrioVing is a Norwegian lock and door-hardware brand with deep roots in Scandinavia's "make it survive winter and humans" engineering tradition. The modern TrioVing name comes from a series of mergers in Norway's lock industry: **TRIO** was formed in **1904** by the merger of three lock/fittings companies, **VING** formed in **1950**, and the two combined in **1971** to create **TrioVing A/S**, which became Norway's leading lock company.

In **1983**, Finland's **Abloy** entered the Norwegian market by acquiring **TrioVing's Locks and Security** (along with VingCard's hotel security business), pulling TrioVing into the broader Nordic consolidation story that eventually became ASSA ABLOY.

What TrioVing is especially known for today is robust, **Scandinavian-style lockcases and hardware**—including **stainless steel mortice lockcases** that show up in **high-end Scandinavian doors** and **marine applications**, where corrosion resistance isn't a "nice to have," it's the entire point.
