Product Description

The TrioVing 7562 WC Indicator Rose is a complete bathroom indicator and turn knob unit designed for privacy doors. Ideal for toilet cubicles, bathrooms, and changing rooms, this high-quality rose provides a clear visual status of whether the room is occupied or vacant.

Operated via a thumbturn from the inside, the outside rose features a clear indicator and an integrated emergency override function, which can be easily released from the exterior using a flat-bladed screwdriver. It is fully compatible with TrioVing 5312 and 5316 lock cases, making it a reliable choice for commercial, marine, or domestic applications.

This indicator rose is available in multiple finishes, including Satin Chrome and Polished Chrome. Please select your preferred finish option from the choices below.

Brand Profile

TrioVing

TrioVing is a Norwegian lock and door-hardware brand with deep roots in Scandinavia's "make it survive winter and humans" engineering tradition. The modern TrioVing name comes from a series of mergers in Norway's lock industry: **TRIO** was formed in **1904** by the merger of three lock/fittings companies, **VING** formed in **1950**, and the two combined in **1971** to create **TrioVing A/S**, which became Norway's leading lock company.

In **1983**, Finland's **Abloy** entered the Norwegian market by acquiring **TrioVing's Locks and Security** (along with VingCard's hotel security business), pulling TrioVing into the broader Nordic consolidation story that eventually became ASSA ABLOY.

What TrioVing is especially known for today is robust, **Scandinavian-style lockcases and hardware**—including **stainless steel mortice lockcases** that show up in **high-end Scandinavian doors** and **marine applications**, where corrosion resistance isn't a "nice to have," it's the entire point.
