Specification Summary

Brand	TrioVing
Product type	TrioVing Shop

Product Description

The TrioVing 7715 Screw Kit is a high-quality fixing pack designed specifically for securing TrioVing escutcheon plates, including the 7715 sash lock, 7714 latch, and 7718 toilet indicator plates. These escutcheons are commonly paired with the robust TrioVing 53 series lock cases.

Each kit contains a durable 100mm M5 screw and a matching M5 screw sleeve, providing a secure, back-to-back fixing method through the door. This design ensures a strong, tamper-resistant installation that keeps your door hardware firmly in place.

Engineered for versatility, this screw kit is suitable for a wide range of door thicknesses, accommodating doors from 34mm up to 100mm thick. It is an essential spare part or replacement fixing for marine, commercial, or residential TrioVing installations.

Technical Specifications

- **Screw Thread:** M5
- **Screw Length:** 100mm
- **Sleeve Type:** M5 screw sleeve
- **Door Thickness Compatibility:** 34mm to 100mm
- **Manufacturer:** TrioVing

Brand Profile

TrioVing

TrioVing is a Norwegian lock and door-hardware brand with deep roots in Scandinavia's "make it survive winter and humans" engineering tradition. The modern TrioVing name comes from a series of mergers in Norway's lock industry: **TRIO** was formed in **1904** by the merger of three lock/fittings companies, **VING** formed in **1950**, and the two combined in **1971** to create **TrioVing A/S**, which became Norway's leading lock company.

In **1983**, Finland's **Abloy** entered the Norwegian market by acquiring **TrioVing's Locks and Security** (along with VingCard's hotel security business), pulling TrioVing into the broader Nordic consolidation story that eventually became ASSA ABLOY.

What TrioVing is especially known for today is robust, **Scandinavian-style lockcases and hardware**—including **stainless steel mortice lockcases** that show up in **high-end Scandinavian doors** and **marine applications**, where corrosion resistance isn't a "nice to have," it's the entire point.
