Product Description

The UNION 2134E is a high-security 5-lever mortice deadlock designed for timber doors up to 54mm thick. Fully compliant with British Standard BS EN 3621, this robust deadlock is widely recognized and approved by insurance companies, making it an ideal choice for securing external residential and commercial doors.

Engineered for maximum resistance against attack, the lock features a 20mm extended deadbolt containing hardened steel rollers to prevent hacksawing. It is also equipped with anti-pick, anti-drill, and anti-saw security features, alongside a heavy-duty security box striking plate to resist jemmying.

This deadlock is available in multiple configurations to suit your installation needs. You can choose between 45mm and 57mm backsets (with case depths ranging from 64mm to 80mm), and finishes in either Polished Lacquered Brass or Satin Chrome. Brand Profile

Union

UNION is one of the big heritage names in **British-designed locks and door hardware**, with roots going back to **1840** in **Willenhall** (aka the Black Country's lockmaking mothership). What started as a family business grew into a widely specified brand for everything that "goes on a door," and UNION still leans hard into that *made-for-the-trade, won't-let-you-down* identity.

Today, UNION sits inside **ASSA ABLOY Opening Solutions UK & Ireland**, and the brand acts like a hub for a wider family of door-hardware ranges. In recent years, brands like **Exidor** (panic/exit hardware), plus **Dale Hardware** and **Excel Architectural Hardware**, were brought into the broader "UNION family" after ASSA ABLOY acquisitions. It's basically the Avengers, but instead of saving the universe they just make sure fire exits actually work at 3am.

What UNION is known for:

- A huge spread of **locks and cylinders** (mortice locks, euro cylinders, padlocks, etc.)
- The broader architectural hardware ecosystem: **door controls, exit hardware, hinges, handles, accessories**, and spec/support tooling aimed at installers and ironmongers
- A strong UK trade presence and long distributor relationships (Aldridge even called out a **60-year partnership** publicly).
