Specification Summary

Brand	Union
Product type	3 Lever

Product Description

The UNION 2243 3 Lever Sashlock is a reliable mortice sashlock designed for internal timber doors up to 54mm thick. Offering a practical locking solution for low-security applications, this sashlock features a deadbolt that can be locked or unlocked by key from either side, alongside a reversible latch bolt operated by lever handles.

Engineered for safety, the UNION 2243 is EN 1634-1 assessed for use on 60-minute timber fire doors, making it an excellent choice for both residential and commercial properties. It comes with a 5-year manufacturer's guarantee, giving you peace of mind regarding its long-term performance.

This sashlock is available in multiple finishes, including Polished Lacquered Brass and Satin Chrome, with matching forend finishes and different barcode configurations. Please choose your preferred finish, forend finish, and barcode option from the selection below to suit your door hardware.

Brand Profile

Union

UNION is one of the big heritage names in **British-designed locks and door hardware**, with roots going back to **1840** in **Willenhall** (aka the Black Country's lockmaking mothership). What started as a family business grew into a widely specified brand for everything that "goes on a door," and UNION still leans hard into that *made-for-the-trade, won't-let-you-down* identity.

Today, UNION sits inside **ASSA ABLOY Opening Solutions UK & Ireland**, and the brand acts like a hub for a wider family of door-hardware ranges. In recent years, brands like **Exidor** (panic/exit hardware), plus **Dale Hardware** and **Excel Architectural Hardware**, were brought into the broader "UNION family" after ASSA ABLOY acquisitions. It's basically the Avengers, but instead of saving the universe they just make sure fire exits actually work at 3am.

What UNION is known for:

- A huge spread of **locks and cylinders** (mortice locks, euro cylinders, padlocks, etc.)
- The broader architectural hardware ecosystem: **door controls, exit hardware, hinges, handles, accessories**, and spec/support tooling aimed at installers and ironmongers
- A strong UK trade presence and long distributor relationships (Aldridge even called out a **60-year partnership** publicly).
