Specification Summary

Brand	Union
Product type	Tubular

Product Description

The UNION 2650 Rebated Tubular Latch is a high-quality, durable mortice latch specifically engineered for use on rebated double timber doors. Featuring an integrated 13mm rebated forend, it ensures a flush and professional fit on stepped door stiles. Designed for smooth and quiet operation, it incorporates a nylon latch bolt and a two-way 8mm follower.

This latch is suitable for both left and right-hand hung timber doors requiring lever handle operation. Please note that it is designed for use with sprung lever handles and is not suitable for unsprung door furniture. It is highly durable, having been tested to over 1,000,000 cycles, and is approved to EN1634-1 for use on 60-minute timber fire doors.

Available in multiple configurations, you can choose from various backset sizes, case depths, finishes, and packaging types to suit your specific installation. Please select your preferred options from the choices below.

Technical Specifications

- **Brand:** Union
- **Manufacturer Reference:** 2650 / DY2650 (please choose from the options below)
- **Backset:** 44mm or 60mm (please choose from the options below)
- **Case Depth:** 64mm or 80mm (please choose from the options below)
- **Case Height:** 22mm
- **Follower:** 8mm (Two-way action)
- **Forend Length:** 57mm
- **Forend Width:** 24mm
- **Rebate Size:** 13mm
- **Fire Rated:** EN1634-1 approved for 60-minute timber fire doors
- **Finish:** Electro Brass or Silver Enamelled (please choose from the options below)
- **Forend Finish:** Electro Brass or Silver (please choose from the options below)
- **Packaging:** Bagged or Visi (please choose from the options below)
- **Weight:** 90g to 150g (please choose from the options below)

Key Features

- **Rebated Design:** Integrated 13mm rebated forend designed specifically for a flush fit on rebated double doors.
- **Quiet Operation:** Built with a nylon latch bolt for smooth, quiet closing.
- **High Durability:** Tested to over 1,000,000 cycles and backed by a 5-year manufacturer's guarantee.
- **Fire Rated:** Approved to EN1634-1 for use on 60-minute timber fire doors.
- **Universal Handing:** Suitable for timber doors hinged on either the left or the right.
- **Sprung Handle Compatibility:** Designed for use with sprung lever handles (not suitable for unsprung handles).
- **Multiple Options:** Available in a range of sizes, finishes, and packaging types to suit your project needs.

Brand Profile

Union

UNION is one of the big heritage names in **British-designed locks and door hardware**, with roots going back to **1840** in **Willenhall** (aka the Black Country's lockmaking mothership). What started as a family business grew into a widely specified brand for everything that "goes on a door," and UNION still leans hard into that *made-for-the-trade, won't-let-you-down* identity.

Today, UNION sits inside **ASSA ABLOY Opening Solutions UK & Ireland**, and the brand acts like a hub for a wider family of door-hardware ranges. In recent years, brands like **Exidor** (panic/exit hardware), plus **Dale Hardware** and **Excel Architectural Hardware**, were brought into the broader "UNION family" after ASSA ABLOY acquisitions. It's basically the Avengers, but instead of saving the universe they just make sure fire exits actually work at 3am.

What UNION is known for:

- A huge spread of **locks and cylinders** (mortice locks, euro cylinders, padlocks, etc.)
- The broader architectural hardware ecosystem: **door controls, exit hardware, hinges, handles, accessories**, and spec/support tooling aimed at installers and ironmongers
- A strong UK trade presence and long distributor relationships (Aldridge even called out a **60-year partnership** publicly).
