Product Description

The UNION 2919 Rebate Kit is an essential accessory designed to allow standard mortice deadlocks to be securely fitted to rebated double doors or French doors. When doors overlap, a standard lock installation is not possible without a rebate set. This kit bridges the gap, ensuring your deadlock functions smoothly and remains highly secure.

This rebate kit is specifically engineered to suit UNION deadlock models 2137, 2141, 2149, 2157, and 2441. It is supplied in a professional Satin Chrome finish to match your existing door hardware.

To accommodate different door profiles, this kit is available in multiple depth options, including 13mm and 25mm, with weights ranging from 240g to 320g. Please select your required depth and specification from the options below.

Brand Profile

Union

UNION is one of the big heritage names in **British-designed locks and door hardware**, with roots going back to **1840** in **Willenhall** (aka the Black Country's lockmaking mothership). What started as a family business grew into a widely specified brand for everything that "goes on a door," and UNION still leans hard into that *made-for-the-trade, won't-let-you-down* identity.

Today, UNION sits inside **ASSA ABLOY Opening Solutions UK & Ireland**, and the brand acts like a hub for a wider family of door-hardware ranges. In recent years, brands like **Exidor** (panic/exit hardware), plus **Dale Hardware** and **Excel Architectural Hardware**, were brought into the broader "UNION family" after ASSA ABLOY acquisitions. It's basically the Avengers, but instead of saving the universe they just make sure fire exits actually work at 3am.

What UNION is known for:

- A huge spread of **locks and cylinders** (mortice locks, euro cylinders, padlocks, etc.)
- The broader architectural hardware ecosystem: **door controls, exit hardware, hinges, handles, accessories**, and spec/support tooling aimed at installers and ironmongers
- A strong UK trade presence and long distributor relationships (Aldridge even called out a **60-year partnership** publicly).
