Product Description

The Urfic Easy Click Bathroom Turn and Release is a stylish and highly convenient addition to any modern interior door. Designed to perfectly complement all Urfic Easy Click (with tape) round Lever on Rose handles, this 52mm diameter escutcheon provides a seamless, matching look for your bathroom or privacy doors.

Installation is incredibly quick and straightforward. Utilising high-quality 3M self-adhesive tape, the turn and release can be fitted in minutes without the need for additional tools or drilling. It is designed to operate with a standard bathroom lock or tubular deadbolt.

This product is available in a selection of high-quality finishes, pack quantities, and weights to suit your specific door hardware needs. Please select your preferred options from the choices below.
