Specification Summary

Brand	Urfic
Product type	Escutcheon & Rose

Product Description

The Urfic Easy Click Euro Escutcheon is a stylish and incredibly simple-to-install door accessory designed to complement all Urfic Easy Click (with tape) Lever on Rose handles. Measuring 52mm in diameter, these euro profile escutcheons are ideal for internal doors, providing a neat and professional finish around your euro cylinder locks.

Installation is exceptionally quick and tool-free, utilizing high-quality 3M self-adhesive backing. This means you can achieve a secure and clean fit in seconds without the need for drilling or screws. Built to last, these escutcheons are backed by a reassuring 25-year manufacturer's guarantee.

These escutcheons are sold in pairs and are available in multiple finishes, including Satin Anodised Aluminium and Stainless Steel Effect. Please choose your preferred finish, manufacturer reference, and barcode from the options below to match your existing door furniture.
