## Product Description

The Urfic Easy Click Euro Profile Escutcheon is a stylish and highly practical accessory designed to complement the Urfic Easy Click lever-on-rose door furniture range. Measuring 52mm in diameter, these escutcheons provide a neat, professional finish around Euro profile cylinders on internal doors.

The standout feature of the Urfic Easy Click range is its incredibly simple, tool-free installation. Utilizing high-quality 3M self-adhesive backing, these escutcheons can be fitted securely in seconds with minimal effort, completely eliminating the need for drilling, screws, or extra tools.

Sold in pairs, these escutcheons are available in multiple high-quality finishes, including Polished Nickel and Satin Nickel. Please select your preferred finish and manufacturer reference from the options below to match your existing door hardware. Backed by a 25-year manufacturer's guarantee, they offer long-lasting durability and a clean, modern aesthetic for any home.
