Product Description

The Urfic Easy Click Standard Key Escutcheon is a stylish and practical addition to your internal doors, designed to perfectly complement the Urfic Easy Click lever on rose handle range. Featuring a 52mm diameter, these escutcheons offer a clean, modern finish to standard keyholes.

Installation is incredibly quick and simple, requiring no tools, screws, or jigs. Utilising high-quality 3M self-adhesive tape, these escutcheons can be securely fitted in under a minute, making them an ideal choice for quick DIY upgrades. Built for durability, they are suitable for internal use and are backed by a reassuring 25-year manufacturer's guarantee.

These escutcheons are sold in pairs and are available in a range of finishes, weights, and manufacturer references. Please select your preferred options from the choices below to match your existing door furniture.
