Product Description

The URFIC Easy Click Titan Lever On Rose offers a revolutionary door handle solution designed for exceptionally fast and simple installation. Featuring a patented ratchet spindle and a self-adhesive rose, this handle can be fitted in under a minute without requiring any tools, screws, or jigs. The innovative ratchet spindle automatically adjusts to fit most standard doors, holding the handle rock-solid with no spindle cutting necessary.

Suitable for indoor use, this lever on rose is compatible with all brands of locks and tubular latches. It is fire-rated for up to 1 hour (FD30/FD60), providing reliable safety alongside its outstanding convenience. Built to last, the handle is backed by a 25-year manufacturer's guarantee.

Please select your preferred finish, weight, and barcode from the options below. Available finishes include Polished Nickel and Stainless Steel Effect, with weights ranging from 446g to 453g depending on your selection.
