Specification Summary

Brand	Vanderbilt Industries
Product type	Vanderbilt

Product Description

The Vanderbilt Industries BB3 Flush Mounting Kit is a premium stainless steel housing designed to provide a clean, low-profile, and aesthetically pleasing installation for your access control devices. By recessing the unit into the wall, the BB3 kit ensures an unobtrusive finish that blends seamlessly with modern commercial and residential environments.

This robust flush-mounting kit is specifically engineered to suit a wide range of popular Vanderbilt (formerly Siemens/Bewator) keypads and readers, including the V42 (formerly K42), K44Duo, M43, PP500-EM, and PP500-Cotag. Constructed from high-quality stainless steel, it offers excellent durability and protection while maintaining a sleek appearance.

Please note that this product is the flush mounting kit only; the keypad or reader itself is not included and must be purchased separately.
