Brand	Adams Rite
Product type	Miscellaneous

Product Description

The Adams Rite Weiser 8346 Patio Lock Cylinder is a high-quality replacement cylinder designed specifically for patio door locks, such as the Adams Rite MS1848 sliding door lock. This cylinder features a 5-pin mechanism and a durable chrome-plated finish, providing reliable security and smooth key operation for your sliding patio doors.

This product is available in multiple configurations to suit your specific security needs. You can choose between a single cylinder keyed to differ or a keyed-alike pair, depending on whether you are replacing a single lock or securing multiple doors with a single key. Please choose your preferred keying option, pack quantity, weight, and barcode from the options below.

Each cylinder is supplied with 2 keys and is designed for straightforward installation.

Brand Profile

Adams Rite

Adams Rite is a long-running American door-hardware brand best known as *“the Aluminum Hardware Authority”*—a specialist in locking and access hardware for **narrow-stile aluminum doors** (think storefronts, commercial entrances, glass-and-aluminum door systems).

The company’s core range covers **deadlocks and deadlatches**, **electric strikes**, **exit devices/panic hardware**, **trim**, and related cylinders/accessories—basically the mechanical and electromechanical guts that let commercial aluminum doors stay secure while still being code-compliant and usable.

Adams Rite is part of ASSA ABLOY, following ASSA ABLOY’s acquisition (announced and completed in **2006**). In ASSA ABLOY’s portfolio, Adams Rite is positioned as a strong, complementary brand in aluminum door applications.
