Specification Summary

Brand	Weiser
Product type	Dummy

Product Description

The Weiser NA12 Troy Dummy Knob is a non-turning, decorative door pull designed for interior doors where only a push or pull function is required. Finished in a classic polished brass, this high-quality dummy knob is an ideal choice for wardrobes, cupboards, pantries, or inactive double doors where a latch mechanism is not needed.

This surface-mounted dummy knob features a 49mm knob diameter and a 67mm rose diameter, offering a comfortable grip and a timeless aesthetic that complements traditional and transitional home decors. It is designed to fit doors with a thickness ranging from 35mm to 45mm, and easily installs to provide a clean, stylish finish.
