Product Description

The Wilka 1026078 Strike Plate is a genuine accessory designed specifically for use with Wilka 138R mortice deadlocks. This high-quality strike plate provides a secure and reliable latching point for your lock, ensuring the continued security and smooth operation of your door.

Featuring a fully reversible design, this strike plate is suitable for both left- and right-handed door configurations, making installation straightforward and versatile. It is finished in a clean satin chrome, offering a modern aesthetic that seamlessly coordinates with contemporary door hardware. As an authentic Wilka component, it guarantees a precise fit and robust durability.
