Specification Summary

Brand	Willenhall Locks
Product type	5 Lever

Product Description

The Willenhall Locks M1 is a reliable 5-lever mortice deadlock designed for timber doors, offering robust security and smooth mechanical operation. Ideal for both residential and light commercial applications, this deadlock is supplied complete with matching escutcheons for a neat, professional finish.

To suit your specific door preparation and aesthetic requirements, this lock is available in multiple configurations. You can choose from case depths of either 64mm or 75mm (with corresponding backsets of 41mm or 53mm) and select a finish of either Polished Brass or Satin Chrome to complement your existing door hardware. Additionally, it is available keyed to differ or keyed alike for multi-lock convenience. Please choose your preferred options from the selection below.

Each lock comes supplied with two keys, providing dependable security from a trusted British brand.

Brand Profile

Willenhall Locks

Willenhall Locks is a trade-familiar UK lock brand built around the classic **mortice lock** lineup: **5-lever deadlocks**, **sashlocks**, and a handful of **specialist cases** for awkward door types (plus some gate kit). The branding leans into Willenhall's identity as the historic heartland of British lockmaking, and retailers commonly describe the range as being supplied for **50+ years**.

What you typically see under the Willenhall name:

- **Mortice deadlocks & sashlocks** (often 5-lever) for domestic/commercial doors.
- **Narrow-stile / euro sashcases** for glazed and French doors (e.g. the **EP1 Euro Sashcase**, which is explicitly pitched as a narrow-stile solution).
- **Gate locks** using **hook bolt** formats (Aldridge lists models like **G10 / G14 / G17** as 5-lever gate locks).
- Some sellers also group in **slamlock**-type products under the Willenhall label (auto-locking on close—great for security, occasionally *too* great if you enjoy being locked out of your own life).
