Is Cylinder

Product Description

The Yale AS Series Euro Double Cylinder is a high-security lock cylinder designed to defend your home against common forced entry methods. Offering British Kitemarked TS007:2012 1-star security, this 6-pin replacement cylinder has been rigorously tested to BS EN 1303:2005 standards. It features enhanced protective elements specifically engineered to resist grip and protect against cylinder snapping.

This cylinder is Secured by Design (Police approved specification), making it an ideal choice for PVCu, timber, and composite doors that require robust protection against physical and manipulation attacks. Each cylinder comes with three keys as standard.

To suit your specific door requirements, this cylinder is available in a range of sizes and finishes. Overall body lengths range from 70mm to 100mm, with A-side measurements from 35mm to 50mm and B-side measurements from 35mm to 60mm. You can also choose between Polished Brass and Nickel Plated finishes. Please select your preferred size and finish from the options below.

Technical Specifications

- **Brand:** Yale
- **Cylinder Profile:** Euro Double (Key/Key)
- **Mechanism:** 6 Pin
- **Security Standards:** TS007:2012 1 Star, BS EN 1303:2005
- **Secured by Design:** Yes
- **Keys Supplied:** 3
- **Finishes:** Polished Brass or Nickel Plated (please select below)
- **Sizes Available:** Overall lengths from 70mm to 100mm (please select below)

Key Features

- **TS007 1-Star Security:** British Kitemark approved to provide reliable protection against common cylinder attack methods.
- **Snap Resistance:** Developed with protective features to strengthen the cylinder, make it harder to grip, and defend against snapping.
- **Secured by Design:** Police approved specification recommended for high-security applications on PVCu, wood, and composite doors.
- **6-Pin Mechanism:** Offers high resistance to physical and manipulation attacks.
- **10-Year Guarantee:** Backed by a manufacturer's guarantee for long-term peace of mind.

Brand Profile

Yale

Yale is one of the most recognisable names in locks and home security — the kind of brand that's become so default it's basically a synonym for "lock" in a lot of people's heads. The story starts with **Linus Yale** and the invention/development of the **pin-tumbler** concept that underpins a huge chunk of modern lock design, then scales into mass manufacturing and global distribution through the industrial era.

Today, Yale sits in an interesting split-brain reality:

- **Outside the US & Canada**, **Yale is an ASSA ABLOY brand**, and Yale's own regional "About" pages explicitly state the brand was purchased by ASSA ABLOY in **August 2000**.
- **In the US & Canada**, the **Yale and August** brands were sold off as part of antitrust remedies tied to ASSA ABLOY's Spectrum acquisition; Reuters and The Verge both describe Yale being retained by ASSA ABLOY outside North America, while the US/Canada Yale brand moved to **Fortune Brands Innovations** .

Product-wise, Yale spans the whole spectrum from **classic mechanical cylinders and door hardware** through to **smart locks and connected access** under the Yale Home umbrella. A key modern milestone was ASSA ABLOY's acquisition of **August Home** (completed in **December 2017**), which fed into the broader "smart access" push around app-based entry and connected ecosystems.
