Specification Summary

Brand A. Perry

Product type Pull

Product Description

The A Perry Solid Brass Long Throw Lock Gate Handle is a premium, stylish accessory designed to complement Perry long throw gate locks. By fitting directly over the lock barrel and replacing the standard escutcheon, this pull handle provides a highly functional and comfortable grip for opening and closing your gate.

Crafted from high-quality solid brass, this handle is completely rustproof and corrosion-resistant, ensuring long-lasting durability even in harsh outdoor environments. It has a height of 200mm, offering a substantial and secure hold.

This gate handle is available in a selection of high-quality finishes, including Black, Chrome Plated, and Polished Brass, to match your existing gate hardware. Please choose your preferred finish and manufacturer reference from the options below.

Technical Specifications

- **Brand:** A. Perry
- **Material:** Solid Brass
- **Height:** 200mm
- **Weight:** 215g
- **Handed:** Non-handed

Brand Profile

A. Perry

Perry Trade (The Perry Group / A. Perry Ltd) is a family-owned, West Midlands-based hardware manufacturer and trade supplier with roots going back to **1925**, when **Arthur Perry** began making steel gutter brackets and hinges. Still directed by the **3rd and 4th generation** of the Perry and Dunnaker family, the business has grown into a multi-division group serving trade customers across the UK and internationally.

Operating from a **140,000+ sq ft site spanning over 5 acres**, Perry emphasizes operational efficiency and customer service, including a **fully automated robot warehouse** to support fast fulfilment. The group's "bread and butter" **Perry Trade** division focuses on **hardware, architectural ironmongery, hinges, fixings and fasteners, gate and fencing hardware, locks, chain and rope**, alongside specialist arms including **Perry Equestrian, Primus** (garden art/gifting), and **Perry Manufacturing** (threaded bar and engineered fasteners).
