Product Description

The Adams Rite 91-2627-001 Sentinel Mounting Clips are high-quality cranked fixing tabs designed specifically for flush lock front plate installations. These mounting clips are engineered to suit the Adams Rite Sentinel 6 security deadlock, ensuring a secure, flush, and professional fit.

Ideal for commercial and residential metal door lock installations where a clean, flush finish is required for the lock's front plate, these clips provide a reliable mounting solution. Manufactured by Adams Rite, a trusted leader in high-security door hardware, they offer excellent durability and precise alignment. They are supplied in a convenient pack containing 10 pairs, making them a practical choice for locksmiths, maintenance professionals, and larger installation projects.

Technical Specifications

- **Brand:** Adams Rite
- **Manufacturer Reference:** 91-2627-001
- **Part Number:** L17037
- **Barcode:** 5011783500132

Brand Profile

Adams Rite

Adams Rite is a long-running American door-hardware brand best known as “*the Aluminum Hardware Authority*”—a specialist in locking and access hardware for **narrow-stile aluminum doors** (think storefronts, commercial entrances, glass-and-aluminum door systems).

The company’s core range covers **deadlocks and deadlatches, electric strikes, exit devices/panic hardware, trim**, and related cylinders/accessories—basically the mechanical and electromechanical guts that let commercial aluminum doors stay secure while still being code-compliant and usable.

Adams Rite is part of ASSA ABLOY, following ASSA ABLOY’s acquisition (announced and completed in **2006**). In ASSA ABLOY’s portfolio, Adams Rite is positioned as a strong, complementary brand in aluminum door applications.
