Product type Post Box

Product Description

The Arregui Villa Mailbox is a medium-sized, highly robust post box designed to provide reliable outdoor mail storage. Manufactured by Arregui, one of Europe's leading mailbox specialists, it features a durable powder-coated steel construction with anti-rust hinges that significantly enhance its weather and corrosion resistance. Its classic, decorative design includes a sloped pitched roof to help shed rainwater and an elegant horn logo on the front.

This wall-mounted mailbox is highly practical, featuring a 220mm x 36mm mailslot that easily accommodates A4-sized envelopes and magazine post. It is ideal as a standalone post box for residential homes, but can also be grouped together to form a bank of mailboxes for flats or shared communal areas (please note, it does not feature lateral fixing holes). Each mailbox is supplied complete with wall fixings and two keys.

The Arregui Villa Mailbox is available in a choice of finishes, including Black, Green, and White, with corresponding manufacturer references (E-5001, E-5003, and E-5004). Please select your preferred finish and specifications from the options below.
