Product type Miscellaneous

Product Description

The Asec Urban Bathroom Escutcheon is a premium-quality door accessory designed to bring a touch of modern sophistication to your home's interior doors. Ideal for bathrooms, WCs, and en-suites, this stylish turn and release set combines smooth, reliable operation with a clean, contemporary aesthetic.

Designed specifically for internal use, these escutcheons feature concealed fixings to ensure a sleek and seamless installation with no visible screws. Each set is supplied in pairs and comes complete with the necessary wood screws and turn & release mechanism, making installation straightforward.

This product is available in multiple brands, finishes, and weights. Please select your preferred brand, finish, weight, manufacturer reference, and barcode from the options below to perfectly match your existing door hardware.
