Product Description

The Asec Vital Bathroom Turn Escutcheon Without Indicator is a stylish, minimalist solution for bathroom doors. Part of the popular Asec Vital range, this turn and release set is designed to provide privacy without the need for an external occupancy indicator, making it ideal for modern, clean interior designs.

With concealed fixings, this escutcheon ensures a seamless, professional finish by hiding mounting screws. The reversible design makes it highly versatile, allowing for simple installation on either left or right-handed doors. It is supplied as a complete set (one pair) and is available in multiple high-quality finishes, including Chrome Plated and

Satin Chrome. Please choose your preferred finish, manufacturer reference, and barcode from the options below.
