Specification Summary

Brand	Asec Vital
Product type	Concealed

Product Description

The Asec Vital Concealed Chain Adjustable Door Closer is an economical and highly effective solution for controlling internal doors. Designed to be fitted within the door itself, this concealed closer offers an exceptionally tidy and unobtrusive installation. Once fitted, only the anchor plate and the connecting chain are visible, preserving the clean aesthetic of your door and the surrounding frame.

This versatile closer is fully reversible and features an adjustable slam action mechanism to ensure smooth, reliable closing. It is suitable for internal doors weighing up to 50kg, making it ideal for both residential and light commercial applications.

This product is available in multiple finishes, weights, and manufacturer references. Please choose your preferred options from the selection below.
