Specification Summary

Brand	Asec Vital
Product type	Cylinder - Euro

Product Description

The Asec Vital Mortice Euro Sashcase offers a neat finish and exceptional value for money without compromising on quality. Designed for use with a standard Euro profile cylinder (sold separately), this sashlock is ideal for both domestic and light commercial applications.

This sashcase is Certifire approved and fully conforms to BS EN 12209, making it suitable for use on fire-rated timber doors. It features a robust brass deadbolt and an easily reversible latch bolt, allowing for quick and hassle-free installation on both left and right-handed doors. Supplied complete with fixing screws, it is a reliable and cost-effective choice for locksmiths, landlords, and homeowners alike.

This product is available in a choice of backsets, case depths, and forend finishes to match your existing door hardware. Please choose your preferred options from the selection below.
