Specification Summary

Brand	B & G
Product type	Open Shackle

Product Description

The B&G Warded Brass Open Shackle Padlock is a reliable, traditional security solution featuring a solid lacquered brass body and a spring-loaded brass shackle. Designed with a warded locking mechanism, this padlock offers a simple and effective single-locking operation, making it ideal for low-to-medium security applications where corrosion resistance is required.

This padlock is available in multiple sizes, with body widths ranging from 32mm to 38mm, body depths from 14mm to 15mm, and body heights from 32mm to 35mm. Depending on your requirements, you can also select between Keyed Alike and Keyed To Differ options. Please choose your preferred size, keying type, and specifications from the options below.

Each padlock is supplied complete with 2 steel keys and features a sprung opening and closing action for smooth everyday operation.
