Product Description

The CAVEO TS007 3* Key & Turn Euro Dimple Cylinder offers premium security and exceptional versatility for your home or business. Featuring a smart dual-finish design with a nickel-plated body and a polished brass plug, this cylinder seamlessly complements both brass and chrome or nickel door hardware, making it a highly cost-effective and stylish choice.

Engineered to withstand the most common forced entry methods, this high-security cylinder is BSI Kitemarked to TS007 3-star standards and holds Sold Secure Diamond certification. It features a sacrificial cut on the external side to protect against lock snapping attacks, alongside robust internal protection against bumping, picking, and drilling. For added peace of mind, it comes with a manufacturer-backed £2,000 break-in guarantee upon registration.

This cylinder is supplied with three high-security dimple keys, optional black key identification inserts, a fixing bolt, and a registration card.

Please note that this cylinder is available in a wide range of sizes. The external breakaway side (A Side) ranges from 30mm to 75mm, and the internal thumbturn side (B Side) ranges from 35mm to 75mm, with overall body lengths from 60mm to 120mm. Please select your required dimensions from the options below.

Brand Profile

CAVEO

CAVEO is a high-security **cylinder** brand focused on modern attack resistance in the UK door market, sold as the **CAVEO Secure** range of **euro cylinders** (including thumbturn and keyed-alike options) plus **rim cylinders**. It's positioned as a "upgrade cylinder" choice for uPVC/composite/aluminium doors where snapping, bumping, drilling and picking are the everyday threat model.

At the core of the range is a **dimple-key mechanism** with **verification on two independent levels** and a **reversible keyway** (key goes in either way). The brand also pushes a **uniquely shaped keyway** and **anti-bump + anti-drill pins** as part of its anti-attack design story.

CAVEO is marketed around hitting the top UK "trust badges" for cylinders. Trade listings and CAVEO/stockist pages commonly state certification/accreditation including:

- **BSI Kitemarked TS007 3-Star**
- **Sold Secure Diamond**
- **Secured by Design (Police Preferred Specification)**
- **BS EN 1303:2015** cylinder certification

A distinctive part of CAVEO's positioning is its **£2,000 break-in guarantee**: if a burglary occurs within **5 years** and entry was achieved by **snapping the CAVEO cylinder**, they state they'll pay £2,000 on proven claims.

Distribution-wise, CAVEO is strongly associated with the UK trade channel via **Aldridge Security** (you'll see it presented through Aldridge/Aldridge Access as a stocked brand), and it's also been promoted through Secured by Design comms in that context.
