Specification Summary

Brand	Dortrend
Product type	Pull

Product Description

The Dortrend 20RBT2 series is a versatile range of 20mm diameter, bolt-through aluminium pull handles, ideal for both commercial and residential doors. Crafted from durable aluminium with a professional satin anodised finish, these handles offer a clean, modern aesthetic alongside excellent wear resistance.

Designed for secure bolt-through fixing, they provide a sturdy and dependable grip that is built to withstand high-traffic environments. This range is available in multiple lengths, weights, and manufacturer references. Please select your preferred length, weight, and specification from the options below to find the perfect fit for your door.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
