Product Description

The Dortrend 672 Toilet Roll Holder is a practical and durable accessory designed for both residential and commercial washroom environments. Manufactured by Dortrend, a trusted UK brand known for high-quality architectural hardware, this toilet roll holder features a robust construction with an anodised aluminium finish, ensuring excellent resistance to wear and corrosion in damp bathroom settings.

With its simple, classic design, the Dortrend 672 is exceptionally easy to fit, making it a quick and straightforward addition to any bathroom or cubicle. It is supplied individually bagged and is lightweight at just 80g, allowing for hassle-free installation on a variety of wall surfaces.

Whether you are completing a commercial refurbishment or updating a home bathroom, this toilet roll holder offers a reliable, low-maintenance solution that blends seamlessly with existing anodised aluminium or satin-finished door furniture.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
