Product Description

Mul-T-Lock Coloured Inserts (also known as key pips or markers) are the ideal accessory for organising and identifying your keys. Designed to fit securely into the plastic heads of genuine Mul-T-Lock keys, these coloured inserts allow you to colour-code your keyring for quick and easy identification. Whether you are managing multiple properties, distinguishing between family members' keys, or organising office access, these inserts help you find the right key at a glance.

Each pack is supplied as a set of 5 colours. Because Mul-T-Lock key heads vary by platform, these inserts are designed specifically to match individual key styles. Please select the correct option for your key range from the choices below to ensure a perfect fit.
