Specification Summary

Brand	Trojan
Product type	Letter Plate

Product Description

The Trojan Unicorn TS008 FD30 Letterplate is a high-security, fire-rated letterbox designed to offer maximum protection for your home while maintaining a sleek, modern aesthetic. Manufactured with a corrosion-resistant stainless steel external flap, this letterplate is built to withstand harsh weather conditions and has been salt spray tested in excess of 1,000 hours.

Engineered with security at its core, the Unicorn features an anti-theft design with an inner protective housing and a restricted opening on the inner flap. This positive stop feature provides excellent protection against 'fishing' attacks, preventing intruders from accessing keys or door latches through the letterbox. It is fully compliant with PAS 24:2016 and Approved Document Q, making it an ideal choice for composite and PVCu doors.

Additionally, this letterplate is FD30 certified, offering 30 minutes of fire resistance to help prevent the spread of fire and smoke. It is available in a variety of finishes, including Brushed Steel, Chrome Plated, Gold, Satin Stainless Steel, and White - please choose your preferred option from the selection below.

Technical Specifications

- **Standards:** TS 008, PAS 24:2016, Approved Document Q compliant
- **Fire Rating:** FD30 (1/2 hour fire tested)
- **Door Thickness:** Suitable for doors from 40mm to 75mm thick
- **Width:** 300.5mm
- **External Flap Material:** 304 Stainless Steel
- **Corrosion Resistance:** Tested in excess of 1,000 hours (BS EN 1670)
- **Cycle Tested:** 20,000 cycles
- **Compatibility:** Suitable for composite and PVCu doors
- **Weight:** 2kg
- **Guarantee:** 10-year manufacturer's guarantee

Key Features

- **Anti-Fishing Security:** Inner protective housing with a limited opening inner flap prevents key fishing and unauthorized access.
- **Concealed Hinge Mechanism:** Unique internal design protects against physical attack.
- **Corrosion Resistant:** High-grade stainless steel construction ensures long-lasting durability in harsh weather.
- **Aesthetic Appeal:** Sleek, modern design with minimal plastic surround to complement any door face.
- **Multiple Finishes:** Available in Brushed Steel, Chrome Plated, Gold, Satin Stainless Steel, and White (please choose from the options below).
