Specification Summary

Brand	Union C-Series
Product type	5 Lever

Product Description

The UNION C-Series 3G114 5 Lever Deadlock, formerly known as the iconic Chubb 3G114, is a highly reliable mortice deadlock designed for timber doors. Offering robust security, this non-handed lock is suitable for doors up to 50mm thick and can be operated by key from either side. It is assessed to EN1634-1 for use on 60-minute timber fire doors, making it an excellent choice for both residential and commercial applications.

This deadlock features advanced security measures, including anti-pick, anti-saw, and anti-drill protection, alongside a 14mm deadbolt with hardened steel rollers to resist forced entry. It comes complete with matching escutcheons to provide a clean, professional finish.

Please choose your preferred configuration from the options below. This lock is available in multiple backsets (40mm or 53mm) and corresponding case depths (67mm or 80mm). You can also select between Polished Brass and Satin Chrome finishes, as well as single packs or bulk packs of 20 to suit your project requirements.

Technical Specifications

- **Mechanism:** 5 Lever
- **Backset:** 40mm or 53mm (please select from the options below)
- **Case Depth:** 67mm or 80mm (please select from the options below)
