Specification Summary

Brand	Wilka
Product type	Accessory

Product Description

The Wilka 1026229 Strike Plate is a genuine replacement accessory designed specifically to suit Wilka 1433, 1438, and 5490 lock cases. Finished in a clean satin chrome, this strike plate provides a reliable and secure latching point for your door hardware.

Its fully reversible design means it can be installed on both left and right-handed doors, offering excellent versatility on site. With precise dimensions of 170mm x 24mm and outer screw centres measuring 150mm, it ensures a perfect fit and straightforward installation when replacing an existing strike plate or setting up a new lock.

Whether you are upgrading your current security hardware or replacing a worn component, this genuine Wilka accessory ensures seamless compatibility and long-lasting performance.
